Slim Line decorative gaming screens

Our Slim Line range of decorative gaming screens are a stunning and unique joinery product that will add a touch of opulence and high end feel to any gaming room design.

Choose from our large selection of premium finishes, laser-cut patterns and powder coat colours to create your own personalised gaming screen design.

Paired together with our exclusive Slim Line gaming bases, our decorative screens will be the perfect addition to your next gaming room refurbishment.

Polytec® Woodmatt finishes

Our selection of premium commercial woodmatt finishes from Polytec® will inspire unlimited design possibilities for any gaming room environment. These woodmatt finishes offer a subtle woodgrain embossed texture with an overall matt surface finish providing a perceptions of authentic timber veneer – in look, feel and warmth.

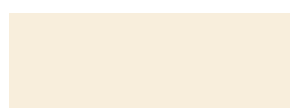

Dulux® powder coat colours

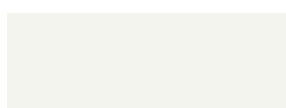

The Dulux® powder coat range is a collection of beautiful solid, pearlescent and metallic paint finishes delivered with advanced super durable polyester thermosetting powders.

Typically commercial interiors are exposed to greater environmental impacts. Dulux® products are designed to withstand these conditions, provide protection and offer a superior performance which will protect your asset in high traffic environments.
